**My retirement.
Our strength.**

Track your plan online

through our mobile app, or
batirente.com/en/my-account

The *My account* secure section is your one-stop shop for everything there is to know about your retirement plan. You can access it through the Bâtirente mobile app or our batirente.com website. Easily find the useful information you need: your accumulated savings, rate of return, financial statement, and transaction history. What's more, the *My account* secure section gives you the opportunity to self-manage all your transactions.

On Target Retirement[®]

A handy goal tracker that lets you know where you stand, and how to move closer to your financial goal. Try out various scenarios—different retirement ages, target retirement incomes and savings—and see how these changes could impact your future.

A unique retirement system

In 1987, the CSN entrusted Bâtirente with the mission of creating a retirement system to meet the needs of workers who were members of its affiliated unions. That's how Bâtirente, a non-profit organization, came to build a robust, high-performance group retirement system. A unique, democratic, and transparent institution, managed by and for unions!
